WHERE IT GOES

This part in colour, its neighbours in grey

HOW TO MAKE IT AND HOW IT FITS

Aft bottom 1,800 x 1,052; forward flat 900 x 1,052; bow rake panel 921 long, 1,052 wide aft to 1,110 at the bow.

Mark the centreline and the stringer lines 150 each side.

Long edges are straight; they butt the inside of the side panels.

Drill 2 mm stitch holes 12 in from the edges every 150.

Bow rake: aft edge square, forward edge bevelled 12.5 deg to sit under the bow transom.

Seal both faces with epoxy before stitching.
